In re Application of :  
Wu, et al. :  
Application No.10/791,709 : **DECISION DISMISSING PETITION**  
Filed: March 4, 2004 :  
Attorney Docket No. 3232-10 :

This is a decision on the petition under 37 CFR 1.182, filed November 17, 2005, requesting that the third named inventor's name be corrected due to a transliteration error.

The petition is **dismissed as moot**.

Petitioner requests that the name of the third named inventor be reflected as Rong-Yih Hwang. A review of the application file revealed that the declaration under 37 CFR 1.63 filed March 4, 2004, reflects the name of the third inventor as "Rong-Yih Hwang". Further, Office computer records reflect the name of the third inventor as Rong-Yih Hwang. There is no relief that can be provided by the instant petition as the name of the third inventor reflected in the application history is the same as the name requested in the instant petition. The petition is, therefore, dismissed as moot.
